Date Received: 26th May 2016

From: Natalie Crow (PE Subject Leader)

School: Unicorn Primary School, Beckenham

As the newly appointed PE subject leader at my school, I found myself with the challenge of spending the sports premium and making long term improvements in the delivery of PE lessons within my school. I decided to invest in the Bromley Primary Schools PE CPD package and the support I have received has been invaluable. The subject leader days have been instrumental in ensuring that my subject knowledge is up to date and that changes with how to spend the sports premium effectively have been highlighted to me. This in turn has helped me with making real changes and improvements within my school. Teachers have attended the courses and have reported back upon how useful they have been and how they have had an impact on their teaching.

I have also had the pleasure of working closely with Borough Primary PE Advisor, Giles Platt. Together we worked on developing the school website to celebrate the PE that was taking place and we used the remaining time to develop a working action plan which has helped me focus upon key actions for this year.

Giles is so inspiring and passionate about his work. I cannot recommend this service enough. Thank you so much Giles, and I look forward to another successful year ahead.
